

## Announcing Photoconsortium Annual Event 2023

The **Annual Event 2023 of Photoconsortium Association** will be held as a physical meeting hosted at the beautiful premises of the **Istituto Svizzero** in Roma and in collaboration with our members at **University of Basel**.

The General Assembly of Photoconsortium members on 5th June is followed on the next day 6th June by a conference about 3D in Cultural Heritage. The conference is one of the training and capacity building events organized by the EU co-funded project **EUreka3D**, in liaison with the **Data Space for Cultural Heritage** initiative of the EC.

### Data Space for Cultural Heritage

*img. courtesy of meemoo*

The common European Data Space for Cultural Heritage is the new flagship initiative of the European Commission to accelerate the digital transformation of Europe's cultural sector, and foster the creation and reuse of content in the cultural and creative sectors. The project builds on and expands the existing functionalities and services of Europeana DSI Digital Service Infrastructure.
